CAREER OBJECTIVE

Enthusiastic and detail-oriented web developer with strong foundation in front-end technologies and React ecosystem.

Passinate about building responsive, user-friendly websites and applications.

Eager to contribute technical skills and creativity to a dynamic development team.

TECHNICAL SKILLS

Programing language: Java,HTML, CSS, javascript

Framework : React js

Database : MySql (basic)

EDUCATION

Government college of Engineering, Tirunelveli.   **2022 - 2025**

B.E (Computer Science and Engineering)

CGPA - 7.12

S Thangapazham polytechnic college, Vasudevanallur.   **2019-2021**

Percentage - 95%

INTERNSHIP EXPERIENCE

Icanio Technologies, Tirunelveli   **July 2024 - Augest 2024**

- I learned front-end development with React.js at Icanio Technologies. During my internship, I gained valuable experience and created a Nexcent webpage, along with login and registration pages.

ICT Academy, GCE   **September - 2024**

- The ICT Academy provided a 20-day session on Power BI for data analysis. During the session, I learned how to use Power BI, and then I created some reports using real data.
- I created reports for Bee Bakery and Airbnb, which are responsive for both desktop and mobile views.

PROJECT

Snake Game

- Designed and implemented a classic Snake game using Java Swing.
- Integrated game logic, collision detection, and score tracking.
- Packaged the project as a runnable .jar file.

Personal Portfolio Website

- Created a responsive personal portfolio using React.js.
- Resposive design with sections like About, Projects, Skills, and Contact.
- Integrate contact from with Formspree.
- Styled with custom CSS and deployed on GitHub pages.

Online Banking Application

- Built a responsive frontend for an online banking system using React.js and Material-UI
- Implemented login/signup, account dashboard, fund transfer, bill payments, and loan application UIs
- Designed reusable components with routing using React Router
- Simulated real banking workflows with dummy transaction data and EMI calculator
- Ensured clean user experience with form validation and responsive layouts
